

Executive Committee E-mail Meeting

June 29, 2022

Therese Tuttle notified the committee members that Huntington Bank will not allow any changes to the bank account (such as adding new signers President Christine DePascale and Treasurer Gloria Karafa to the account) until certain changes are made in the WG booklet and the WG bylaws, showing that the WG is a part of St. William's Church. With the help of the Diocese, Therese was able to clear up all other issues with the account. The things that needed changed by the Executive Committee were as follows;

- 1.) The name of the booklet to be changed to: St. William Women's Guild (instead of The Women's Guild of St. William Parish)
- 2.) The Welcome letter should state St. William Women's Guild (instead of The Women's Guild of St. William Parish)
- 3.) All titles throughout the booklet to be changed to state St. William Women's Guild (instead of The Women's Guild of St. William Parish)
- 4.) In the bylaws the Title page should state; GUIDELINES OF ST. WILLIAM WOMEN'S GUILD (instead of Guidelines of The Women's Guild of St. William Parish)
- 5.) In the bylaws under NAME it should be restated to say: The name of this club shall be the St. William Women's Guild.

6.) Retype the Installation of officers' oath pages with the title stating: St. William Women's Guild (instead of The Women's Guild of St. William Parish)

President Christine DePascale asked for a motion to accept the needed changes. Linda Horm moved to accept the changes, with the exception of changing the word club to body. Tina McCue seconded the motion. The motion was accepted and passed.

There was also a consideration proposed by Father Balash to Christine and Gloria to close our Women's Guild account and move the money into the Church Non-Operating Account. After Christine presented this proposed option, (along with the details of how this account would work) to the group, the option was not accepted by the committee.

Respectfully Submitted by Cathy Poponak, Secretary
